ABOUT THIS MODEL

The new Cronus multi-decks and low multi-decks range has been developed for the promotion and conservation of different types of food and drinks on a self -service basis.

Cabinets are available with a depth of 820mm and also with glass doors and in a low multi-deck version. This range offers greater flexibility, fitting spaces of any size and with different business concepts, being also an excellent way to boost impulse sales.

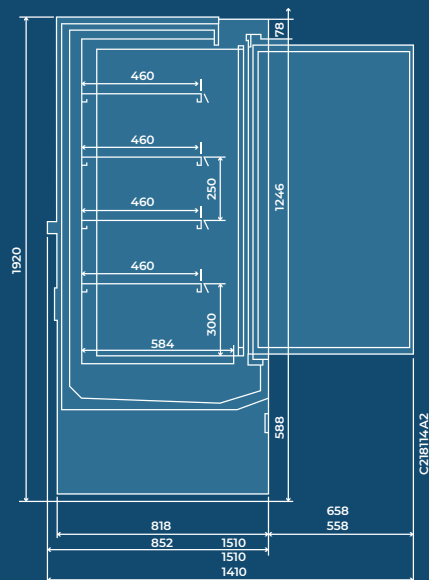

With sturdy construction, thoughtful design and proven efficiency, the Cronus range offers the best solution to preserve, display and value your products.

- 1 Year guarantee
- Automatic evaporation of defrost water
- Up to 60% more energy efficient compared to open front cabinets
- Easy to use electronic controller
- LED lighting in canopy
- Double glass panoramic side panels
- Also available in stainless steel
- Transparent PVC price holders
- Multiplexable – Starting in the measure 1 250mm
- Cronus SLIMLINE – Custom order only
